*Teaching for Wisdom, Intelligence,  
Creativity and Success*  
"Part I (1-3)"

---

### Setting the Stage

- Reflect on different ways you have used assessments. Which assessments were the most successful?
- Which assessments provided learning experiences for the students?

### Essay Questions (1 1/2 page response - 9% of course grade)

1. What is the purpose of the WICS model?	2. Complete the questionnaire regarding "patterns of strength" to determine your preferred mode of thinking.	3. How do your patterns of strength influence your teaching? What implications do patterns of strengths have for your students?
