| <hr/> <p><i>Teaching for Wisdom, Intelligence, Creativity and Success</i> "Part II (4-5)"</p> <hr/> | Setting the Stage |
| | <input checked="" type="checkbox"/> In general, do you feel most students have specific or multiple strengths? |

| Design a Lesson Plan (9% of course grade) | | |
|--|---|--|
| 1. Use the lesson plan template (www.teacherspai.com/lessonplan) to design a lesson that enhances memory skills. | 2. In your lesson plan, include these three key elements: encoding, storing and retrieving. | 3. Refer to the Lesson Plan Rubric for grading criteria. |
